From: Higher Degrees Unit
Date: 12/8/2022
Subject: Postgraduate Notice

POSTGRADUATE OFFICE NOTICE

Dear prospective postgraduate students and VUT community,

VUT now has an online application process. Prospective postgraduate students are requested to apply using one of the following processes:

1. ONLINE APPLICATIONS FOR POSTGRADUATE STUDENTS

1.1 New postgraduate students applying for a Masters or Doctoral degree:

These are students who have not studied at VUT before and want to apply for a Masters or Doctoral degree at VUT in 2023. If you are a new postgraduate student please click on the following link https://itsprdapp.vut.ac.za/pls/prodi41/w99pkg.mi_login which will take you to the iEnabler. From here you may proceed with your application using your ID number/passport number.

1.2 Returning students/applicants applying for a Masters or Doctoral degree who already have a VUT student number:

These are students who are currently registered at VUT for a Postgraduate Diploma and want to apply for a Masters degree in 2023 OR students who are currently registered at VUT for a Masters degree and want to apply for a Doctoral degree in 2023. This also refers to applicants who may not have registered at VUT previously. If you are a returning student, please follow this link https://itsprdapp.vut.ac.za/pls/prodi41/w99pkg.mi_login which will take you to the iEnabler. From here you may proceed with your application by logging into ITS using your username and pin to complete your application.

All applicants who are applying online and have a VUT student number must use the iEnabler on the VUT website. As much as online applications for returning students are encouraged, manual submissions will also be accepted at office D 016. To apply manually, please request the application forms from Mrs. N Kokoali 016 950 9822 / nomathembak@vut.ac.za / D 016

2. REGISTRATION FEES AND LEVY

Effective from 2023 the registration fees for Masters and Doctoral qualifications will remain R2 200.00.

The student levy will be increasing by 5% in 2023 to R410.00.

In the case where a student owes the University or needs to make payment arrangements, students should contact credit management at the following email address: credit-management@vut.ac.za.

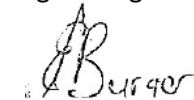

3. PHASING OUT OF MTECH AND DTECH QUALIFICATIONS

In 2013, the government has introduced a single unified national qualification framework for education in South Africa that applies to all higher education institutions and improves the ability of students to move easily and more effectively from one qualification to the next, as well as between institutions. As a result of this change, the Vaal University of Technology is phasing out all MTech and DTech qualifications and VUT will no longer re-register students for MTech and DTech qualifications going forward. This is effective from January 2023.

For any further inquiries relating to postgraduate applications and registrations please contact Mrs. N. Kokoali at 016 950 9822 / nomathembak@vut.ac.za

Regards,

Higher Degrees Unit

Dr SE Burger

Acting Director: Research & Higher Degrees
